

**HEADINGTON PARTNERSHIP : EXTENDED SERVICES
MAY HOLIDAY : THINGS TO DO**

www.nationalfamilyweek.co.uk

If you are not going away, we hope you will find some things to do together as a family during the coming week!

SCIENCE OXFORD

1-5 London Place Oxford OX41BD www.scienceoxfordlive.com
BOOKING ESSENTIAL call 01865 816 000 or book on line

Meet the Astronaut!

Tuesday 31 May 6.30pm

Science Oxford Live gives you the chance to meet a real live astronaut! Dr Mamoru Mohri has been into space twice on the Space Shuttle, and he will share his experiences as an astronaut, and answer your questions about everything to do with space travel. Not to be missed!

£5 (SO Friends Free)

Wallace & Gromit's World of Invention

Tuesday 31 May, and Friday 3 June 11am, 2pm, 3.30pm

It's back! This half term is your last chance to take part in Wallace and Gromit's 'World of Invention' workshop. Be inspired by Wallace's love of inventing, and try to build a real invention of your own... **Suitable for 7+**

Tickets £3.50 (includes a donation for Gift Aid), SO Friends Free

Moving Monsters

Wednesday 1 June 11am, 2pm, 3.30pm

Design your own monster that uses everyday objects like balloons and elastic bands to move. **Suitable for 5 +**

Tickets £5 (SO Friends Free)

The Flight Show

Thursday, 2 June 11:00am, 2:00pm, 3.30pm

Have you ever wondered how a plane stays up in the air? How many helium balloons would it take to lift a child? Find out the answers to these and other questions in this interactive show.

Suitable for 8 +

Tickets £5 (SO Friends Free)
